Subject: Request for issuance of class 10th marksheet

Respected Sir,

I am the parent of Cdt Daman, who is a student of your esteemed school. I kindly request you to provide the class 10th marksheet of my ward. Due to a unavoidable circumstances and a long distance to travel from Haryana to Assam , we will not be able to visit the school personally to collect the same.

The marksheet is an important document required for filling out scholarship application forms and its submission is necessary for completing the scholarship process within the prescribed time.

Therefore, I humbly request you to kindly arrange to provide the class 10th marksheet to my ward or through any other convenient means at the earliest possible.

I shall be highly grateful for your kind consideration and cooperation.

Thanking you,

Yours faithfully,

Parent of Cdt. Daman (7098)
